Victor Nwagbo

Full Stack Developer

About

- My name is Victor Nwagbo and I'm a full stack developer. I'm proficient in English Language. My skill sets are HTML, CSS, JavaScript, Python, Django, React, Bootstrap, CSS. I look forward to rendering first class services that meet the requirements of my employer. I also look forward to working with different developers in other to improve myself and gain experience along the way.

Experience

sept 2023 - Oct 2023

Client: Mr Jolayemi

Coding Instructor

I worked as a coding instructor for Mr Jolayemi. My role was to teach his two children HTML and CSS for basic front end design. It lasted for a duration of 2 months .

Other Experiences

I've also worked on various personal project which can be found on my GitHub account, ranging from a Facebook homepage front end design, landing page of website (TaxPal) and even a portfolio site. I look forward to also getting more experiences as I'm still quite new to the industry.
